

*Questions and Prompts Sunday School*  
*February 17–23*  
*2 Nephi 11–25*

*“We Rejoice in Christ”*

*2 Nephi 11–24*

*Isaiah testified of Jesus Christ.*

- *search chapter 11 and list several of Nephi’s purposes for quoting Isaiah so extensively.*
- *Share passages they found in their personal or family study of 2 Nephi 12–24 that they feel achieved those purposes.*
- *How has understanding Nephi’s purposes helped class members get more out of the writings of Isaiah?*
- *\*\*\*prepare several papers with scripture references written on them from 2 Nephi 12–24 that teach about the Savior (for example, 2 Nephi 13:13; 14:4–6; 15:1–7; 16:1–7; 17:14; 18:14–15; 19:6–7; 21:1–5; 22:2).*
- *Invite each class member to select one of the papers, study the verses written on it, and write on the paper what he or she learned about Jesus Christ.*
- *give class members a chance to share what they learned from Isaiah and from each other that deepened their appreciation for Jesus Christ.*
- *In 2 Nephi 19:6 lists several titles of Jesus Christ. Consider asking someone to list them on the board and inviting class members to discuss why each of these titles is a fitting description of the Savior.*
- *How has He fulfilled these roles in our lives?*

*2 Nephi 12:2–5; 21:10–12; 22*

*In the latter days, God’s people will be gathered and enjoy peace.*

- *Examine 2 Nephi 21:10–12, which describes an “ensign” (standard or banner) that will be raised to gather God’s people. How have we seen the Lord gather His people spiritually?*
- *Talk about what makes members of your class want to gather or unite with God’s people in the Church?*
- *How do we help with the gathering?*
- *write the following themes on the board: Scattering of Israel, Gathering of Israel, and Prophecies of Christ.*
  - *assign chapters from 2 Nephi 12–24 to groups of class members and invite them to find verses that teach about these things and write these verses under the appropriate heading on the board.*
- *What messages do these verses have for us?*
  - *Doctrine and Covenants 113:1–6 can help them understand 2 Nephi 21:1–5, 10.)*

- Consider singing: “*High on the Mountain Top*” (Hymns, no. 5) or “*The Lord Is My Light*”

### **2 Nephi 14:4–6**

***Our homes and “assemblies” of Zion can be places of safety and refuge.***

- ponder and discuss what it means to have “a cloud and smoke” and “a flaming fire” on their “dwelling-place” and “assemblies” (*verse 5*; see also *Exodus 13:21–22*).
- What are some things that might be compared to the heat, storm, and rain mentioned in *verse 6*?
- How can we find refuge? (see also *Doctrine and Covenants 115:6*).
- Ask class members to suggest ways to make sure our homes and Church gatherings are places of spiritual protection.

### **2 Nephi 25:19–29**

***“The right way is to believe in Christ.”***

- How did Nephi “labor diligently” to accomplish this goal? (*2 Nephi 25:23*).
- Search *2 Nephi 25:19–29* to find truths about the Savior and His gospel that Nephi wanted his people to know.
- Have them share what they have done to teach these truths to their family or friends.
  - (The statement by President Dieter F. Uchtdorf in “Additional Resources” can provide some insight on this truth.)
- How have they helped others “rejoice in Christ”?

### ***Encourage Learning at Home***

*Class members might be interested to know that 2 Nephi 26–30 can help them respond to people who say, “We don’t need the Book of Mormon.”*
